Secure Storage | Drawer Trap Deposit safe

This UK manufactured drawer trap deposit safe has been designed and patented in our very own UK manufacturing facility to suit a variety of business security requirements and offers an ideal solution for a range of commercial premises. Our drawer trap deposit safe can be adapted to meet clients requirements. The depositor can be fitted flush to the side or rear of the safe or through a wall of 125mm thickness. Our drawer trap deposit safe is tailored to meet all of our clients individual needs, with a variety of locking options.
