

## **Emerald | Underfloor Safe**

£ £35,000 £ £350,000

The Emerald Underfloor Safe has been independently tested to Eurograde 3 standards & this particular model comes with a lockable deposit chute which will allow deposits of cash to be made, without having to open the safe door.

The door is fitted with a double bitted VDS class 1 key lock by Mauver which is supplied with 2 keys as standard, with the option to purchase additional keys if required. The safe's body is made from solid steel and there is a water resistant dust cover fitted around the neck. On top of this, there is also a concrete reinforced mesh cage fitted.

- Key locking supplied as standard (VdS class 1)
- Electronic or combination locking upgrades available
- Fitted with waterproof membrane

| Model           | External *      | Internal        | Weight |
