

## Safe Locks | Spartan 1007

 2 Users  Master Code  Power Source - Batteries

Sargent and Greenleaf's high-security electronic locks are proven to withstand military-level EMP attacks, giving you full access to your valuables even after an EMP emergency.

The S&G Model 1007 Spartan safe lock is an easy-to-use electronic safe lock that is ideal for home gun safes. This two-user lock comes with a completely redesigned locking mechanism that is based on the proven security of a rugged, motorized blocking device. The Spartan lock is the perfect entry-level lock to protect your assets.
